

PUBLIC LEDGER

WEEKLY REPUBLICAN—1887.
DAILY PUBLIC LEDGER—1899.

MAYSVILLE, KY., SATURDAY, APRIL 24, 1909.

ONE COPY—ONE CENT.

TO THE MAYSVILLE CITY DADS

Tell me not in mournful numbers that the town is full of gloom, for the man's a crank that slumbers in these bustling days of boom. Life is real life, is earnest, and the grave is not its goal; every dollar that thou turnest helps to make the old town roll. But enjoyment and not sorrow is our destined end or way; if you have no money borrow—have a little street each day. Lives of great men all remind us we can win immortal fame. Let us leave the chumps behind us and we'll get there just the same.

John Johnson, through his Attorney, A. D. Cole, has filed suit in the Mason Circuit Court against the Chesapeake and Ohio Railway Company for \$25,000 as remuneration for the loss of his lower limbs. It will be recalled that while on his way to work at the Coal Docks—about two months ago—he was run down by a C. and O. freight train in charge of Harry Caldwell, Conductor, and Frank Robinson, Engineer, and his limbs so badly mangled that both legs had to be amputated below the knees.

Laxative for Women Free

There is a great difference in the purposes to which a laxative should be put. Tablets and pills, salts, etc., are usually violent purgatives or cathartics, and altogether too powerful for the average person.

A woman at all times needs only a mild laxative—in fact, none other is needed by anyone, weak or strong though they may be, for the object is simply to move the bowels, and if a gentle laxative will do it, what is the use of a violent one?

Dr. Caldwell's Syrup Pepsin has earned a well-deserved vogue among women and children and old folks—people who must necessarily be careful of what they take. It is a liquid laxative tonic and admittedly the greatest stomach, liver and bowel remedy before the American people. The price is only 50 cents or \$1 a bottle, as it comes in both sizes, and all druggists sell it. Its pleasant taste and gentle action make it an ideal remedy for women in constipation, torpid liver, sour stomach, sick headache, heartburn and such like digestive complaints. Its use for a short time will remove the trouble entirely so that future medication will be unnecessary. Its tonic properties build up the stomach and intestinal muscles so that they act naturally again. That this is so is the experience of many ladies of families, like Mrs. Brannan, of Alvarado, Va., Mrs. K. L. Stout, of Louisville, Ky., and numerous others; in fact, way out in Williams, Cal., as Mrs. J. E. Blackmore, of that place, writes, the whole town seems to be using it.

If the remedy is new to you and you want to make a trial of it before buying, send your name to the doctor's address as below and a free test bottle will be sent you. Then, if results are satisfactory you can buy it of your druggist.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 507 Caldwell bldg., Monticello, Ill.

Sold By J. J. Wood & Son, Druggists

News from Rev. W. W. Akers, who is sojourning at Charlotte, N. C., is that he is getting along splendidly and that he will be here to fill his pulpit at the Central Presbyterian Church on Sunday, May 24.

The notice of the arrest of a demented colored woman on the streets, which appeared in Wednesday's LEDGER, should have read Abbie Lee Walker instead of Lida M. Walker, as the article had it. The latter is of sound mind and objects, as is perfectly natural, to being placed in the non compos mentis class. The writer was misinformed as to name and cheerfully makes correction.

A FRENZIED YOUTH

Commits a Horrible Deed—Robert Clayton Meets an Untimely Death at the Hands of Henry Gates

Wall, between Second and Front streets, with its unsavory reputation for brawls, fights and killings, was the scene yesterday afternoon about 1:30 o'clock of a deliberate and atrocious murder.

Henry Gates, Jr., a feeble-minded youth, of 21 years, who committed the deed, is a well-known character about town and whose imbecility is of general knowledge.

Gates lives with his parents in the dilapidated brick building situated on the Northwest corner of Wall and Front streets and it was from the second story Wall street window that the fatal shot was fired.

There are several versions pertaining to incidents leading up to the killing, but the essential facts are about these. Omar and Hogan Gilbert, Robert Clayton, John Sloan, John Jones and another, hangers-on about the street, had congregated on the corner immediately in front of Gates' home, and were having a good time—in the gang's way—singing and dancing to the thrumming on a banjo by one of the party. It is also said they were teasing and tantalizing the boy. However that may be, he went upstairs and after raising the window secured a double-barreled shotgun, poked the barrel out of the window and fired point-blank at Clayton, blowing the top of his head off, the unfortunate young man dying almost instantly.

The only person present in the room at the time beside the enraged and crazy boy was his sister-in-law, who was unable to restrain him in committing the crime. Gates was arrested and is now in Jail awaiting a preliminary hearing.

After the holding of an inquest by Coroner Dreesel, the body was removed to Porter's Undertaking rooms, where it was prepared for burial.

The funeral will take place from the residence of Mr. Henry Rasp in West Second street at 4 o'clock this afternoon. Interment in Maysville Cemetery.

Newbro's Herpicide

IS PRAISED BY

PAULA A. EDWARDES.

Paula A. Edwardes, the well-known theatrical star, writes as follows:

"I am charmed with Newbro's Herpicide. It is a refreshing hair remedy, producing a beautiful luster and a luxuriance of growth, at the same time keeping the scalp free from dandruff."

Very truly yours,
(Signed) PAULA A. EDWARDES.
New York City.

Good results from the use of Newbro's Herpicide mean as much to one person as to another, but on the other hand, the fact that leading theatrical stars prefer Newbro's Herpicide is an important point in its favor. Professional people have an inclination and an opportunity—not enjoyed by others—to discriminate in their choice of toilet remedies and their opinions should not go unheeded.

The extraordinary success of Newbro's Herpicide is due to the simple fact that it kills the dandruff germ. While other remedies treat the disease that results in hair loss, Newbro's Herpicide destroys the cause of the disease, after which nature grows the hair, if it is not too late.

Chronic baldness cannot be cured, but before the hair follicles are too badly diseased one can, by careful treatment and intelligent sanitary care, keep down and ultimately destroy the tiny vegetable growth (dandruff germ,) whose continued presence in the sebaceous glands of the scalp means hair destruction.

Ladies become enthusiastic over Newbro's Herpicide, because it brightens up the hair and keeps it light and fluffy.

Stops itching of scalp almost instantly.
Delightfully refreshing.

A Case of Inflammatory Rheumatism

"Some ten weeks ago a sudden pain came in my right arm," writes Mrs. Marguerite Rau, 623 Franklin street, York, Pa. "The doctor called it inflammatory rheumatism. For about seven weeks, doctored with different remedies without getting any relief. My arm was swollen from the elbow to the tips of my fingers and was all black and blue and looked as though there was something drawing at the elbow and as if it would break open. The pain was so great that I could not sleep. I finally bought a bottle of Sloan's Liniment, and that gave me relief at once. I have used three 25c bottles and am now using a 50c bottle.

GOODBYE TO THE OLD, WELCOME THE NEW

The Passing of Old St. Patrick's Church—Maysville Landmark Being Demolished

First Mass to Be Held Tomorrow in the Splendid New Church

The venerable old Saint Patrick's Catholic Church, which has been a consecrated and beloved Temple of Worship in Maysville for the past half a century, has been abandoned and is now being rapidly torn down and removed from the rear of the elegant new St. Patrick, where the altar portion of the new Church will stand. All the sacerdotal accessories and fittings have been removed from the old to the new building adjoining and the work of erecting the remainder of the new structure will be pushed to early completion.

There are thousands of devoted members of the Catholic Church who have worshiped in the venerable old structure who will regret to see it crumble into dust and who will ever retain fond memories of their connection with it.

The old St. Patrick's, a picture of which is

terry and erect the magnificent new Temple of Worship which will be thrown open tomorrow.

The St. Patrick Parish School now numbers nearly 300 pupils on its rolls and great expectations may be further counted on to expand its work and its field.

The Washington Cemetery was started in 1853, when a few acres of land were purchased for a modest burying-ground. Now, thanks to Father Jones, there are in all 21 acres in the Cemetery, which has been transformed, by his directing hand, into one of the handsomest "Cities of the Dead," and for miles around its sacred precincts are the repositories of the beloved members who die in the faith of Jesus.

But it is of the elegant new St. Patrick's Church which reflects the inner sentiments and life purpose of Father Jones, and which will ever stand, as long as God wills, a concrete example of what one Minister can accomplish when he outlines and determines his lifework and is aided by the love, the co-operation and the financial assistance of a united congregation.

The new building, a good picture of which was given in THE LEDGER of April 12th, is situated on the Southeast corner of Third and Limestone streets, just North of old St. Patrick's. The new structure is a small replica of Notre Dame de Paris, the famous Cathedral of France. Of brick and stone, with majestic towers, now unfinished, but later to be built up much higher into spires, with Church chimneys, the new St. Patrick's now looms up as the solid and substantial, the convenient and the ornamental and the modern and perfect sanctuary.

OLD ST. PATRICK'S CHURCH—Erected in 1847.

shown above, is of the plain architecture of sixty years ago. It was erected by Rev. Father John Joyce in 1847, and on August 1st, 1847, Father Joyce officiated at the first baptism in the new edifice, the novice being Rose, the daughter of Charles and Ellen Lynch. The first marriage in the Church recorded by Father Joyce was that of Martin Collins and Bridget Rodgers on October 15th, 1848.

Previous to 1847 Mass was celebrated occasionally for the few scattered Catholics of Maysville and Mason county by Archbishop Purcell of Cincinnati and Bishop Spalding of Louisville. Services were held somewhere in Front street.

Father Joyce remained Pastor until August, 1852.

He was succeeded by Father McSweeney, who continued Pastor until 1857. Very Rev. Father Butler, from Covington, attended at Maysville, so, also, did Father Guilfoyle until November, 1857; then the Rev. Peter McMahon until 1858; then Rev. Brogard until 1860; then Rev. Father Young for a short time. Again Father McMahon became Pastor December 30th, 1860, and continued as such until January, 1867; then the Rev. John B. Glorieux, and for a short time the Rev. Kertson. In July, 1867, Rev. Glorieux became permanent Pastor and continued as such until his death in 1895. He was succeeded by the Rev. Father A. T. Ennis, who continued as Pastor until he resigned in April, 1901. Then it was that the present Pastor, Rev. Father P. M. Jones, took up the burden of Saint Patrick's Parish.

Of the work done in the Catholic Parish of Maysville by Rev. Father Patrick Murphy Jones during the brief eight years of his pastorate, we could not say too much. His efforts here are his own monument and speak in silent, but eloquent, tones of the great work he has accomplished. He is a typical and worthy son of old Ireland, first seeing the light of day in County Limerick, which has produced so many good and worthy Irish-Americans. Of the life of Father Jones elsewhere in the United States, than in Maysville, we have not space to summarize. Here in Maysville and Mason county, where we have seen his ideals crystallize and his efforts bear the rich harvest of success, we can all testify to his remarkable patience and his arduous endeavors to push the Catholic faith firm in the hearts and minds of his beloved congregation. And he shares the honors of success-crowned endeavor with "his people," whom he declares, by their timely and generous response to his repeated calls upon their purses, have enabled him to develop the Parish School, the Washington Catholic Com-

unity. The interior is now practically finished and its equal in architectural beauty and size does not exist in Kentucky outside of Covington. The interior dimensions are 105 feet in length by 66 feet in breadth, with 53 feet clear space to the top of the arched ceiling.

When the altar portion of the Church is built the entire building will be about 135 feet in length. This latter portion of the structure will be erected at once, and will be the most artistic feature of the Church, and will cost \$12,000, and will conform in architectural proportion to the main Church, except that it will be more splendid as the holy sanctuary and embellished in harmony with its sacred uses.

The new Church has been installed with the most modern seats, which cost \$2,000. The seating capacity will be about 1,200.

The choir loft is at the front, and is reached on the left by a beautiful oak stairway, which corresponds with the massive quartered and polished oak doors, columns and huge arched casings, which are very massive, solid and the most beautiful yet installed in any Kentucky Church edifice. This elegant mill work is the product of the Maysville Manufacturing Company, of which Mr. L. M. Mills is the clever and competent manager.

The three vaulted front portals at the North entrance and the one large one at the West form the outside ingress to the vestibule, or lobby, which has a cement floor and is very large, being 20x66 feet in dimensions. The inside doors, numbering six, are double swing pivot doors, are noiseless and fitted with the

May tomorrow's services redound to the glory of the Master of all men and the eternal praise of His bleeding son, Jesus Christ.

MUSICAL PROGRAM.

Tomorrow the new St. Patrick Church will throw open its doors for the holding of the first divine service within its walls. The solemn service of the dedication of the new Church will not be held until the building in its entirety will have been completed, which will probably be not before next year, when the Rt. Rev. Bishop Maas will solemnly dedicate it.

Although the day of the opening service will, to the members of St. Patrick's, be one of much tranquil joy, such as accompanies the accomplishment of a great work in a worthy cause, yet the inaugural service tomorrow will partake of little out of the ordinary Sunday service during the Pascal season. The Choir-master, Mr. W. A. Cole, in perfect accord with the opening of the new Church, has prepared the following beautiful musical program, which will be rendered at the 10 o'clock Mass by the augmented choir, with Miss Abbie Downey at the organ:

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. NATURE'S WARNING.

Maysville People Must Recognize and Heed It.

Kidney ills come quietly—mysteriously. But nature always warns you. Notice the kidney secretions. See if the color is unhealthy—If there are settlements and sediment. Passages frequent, scanty, painful. It's time then to use Doan's Kidney Pills, To ward off Bright's disease or diabetes. Doan's have done great work in this locality. James W. Cottingham, East Second street, Vanceburg, Ky., says:

"About two years ago my back became lame and I had almost constant pain across my loins. It was all I could do to drag one foot after another and I was actually too weak to work. The kidney secretions were scanty and I had a difficulty in passing them. I was laid up at one time for a month and could not leave the house. When Doan's Kidney Pills were recommended to me, I procured a box and began their use. My kidneys were soon restored to their normal condition, I became strong and have had no trouble since. It gives me the greatest pleasure to recommend Doan's Kidney Pills to other persons suffering from kidney complaint."
